Discussion of proposed definitions of zoning code related to alcohol and medical marijuana and event venues.

Presented by: Marcae' Hilton/Steve Oakley

City Planner Marcae' Hilton stated that now that things are changing with the new marijuana laws being passed we still need to make some get some legal advice. Marcae stated that the first step we should adopt some definitions and to add them to the code, and then look at what use unit it would fall up under and would like to get some feedback on the zoning codes, for event venues, bar, bars, taverns, nightclub, lounge, brewpub, and breweries and marijuana. Marcae' stated these items will go before Planning Commission on the 15th for discussion.
